HISTORY RESEARCH ENVIRONMENT

Build **V 0.1.0**
Release Date **1-Jan-2019**

History Research Environment (HRE) is a community project to create a free open source platform for recording a wide range of genealogical, historical and social research.

The development community is supported by a not-for-profit company, History Research Environment Limited, limited by Guarantee and registered under the laws of England and Wales.

All code developed by HRE is copyright to individual developers, and is released under the GNU Affero General Public Licence (GNU AGPL) <https://www.gnu.org/licenses/agpl-3.0.en.html>. For further details, see http://hrewiki.org/index.php?title=Why_have_we_chosen_these_licences%3F.

Reuse of the HRE software is permitted only under the terms of the licence. Using the HRE software or any derivative of the software to offer a service over the internet is strictly prohibited.
