

GUI_Icon-ExitHRE

Revision history

2018-06-08	Rod Thompson	Original draft

SCOPE

Icons are used extensively throughout the HRE application, in all window displays.

This document details use of the icon used to initiate an 'ExitHRE' action.

Each icon is in fact a button control, with a unique image that identifies its use without additional descriptive text

LOOK AND FEEL

Colour icons may be used in the main application window. (possible issues if user changes background palette)

Black & White icons will generally be used in sub-windows.
