2018-05-31	Rod Thompson	Re-drafted and legal input from Michael Maggs

SCOPE

This GUI module displays information about the HRE application.

LOOK AND FEEL

AboutHRE main window - Mockup

The window has 3 sections:

- Heading section with:
    - o the window name
    - o window close icon
- Topic section that provides information on the version of HRE installed, with its Release date. Particular information about HRE s included.
- Lower section of the window includes:

- o A 'Licenses' button which when operated opens an additional window
- o A 'Close' button to 'close' this window (same action as the X icon in the window Heading section), returning focus to the main User Interface.

This is one of the windows in the HRE GUI that has a fixed size. User configuration is not available.

Window size: 575 pixels wide
Window location: centred on the main GUI_UserInterface window

Licences

Preference code used from https://guthub.com/opcoach/e4Preferences
Which is licensed under the Eclipse Public License 1.0

Close

AboutHRE License window - mockup

This sub-window contains information about each of the licenced products used by HRE.

It is anticipated that this may increase in size as code is developed.

The window has:

- • A 'Close' button to 'close' this sub-window

Window size: 575 pixels wide
Window location: attached to the foot of the AboutHRE window

USED BY:
The main User Interface Help menu.

ACTIONS
The fundamental operations are:
1. Open the AboutHRE window according to its saved Panel Layout (BR_PanelConfig)
2. Populate the display with version of HRE installed on the User computer.

DATA CONTROLLED BY THIS MODULE
None.

REQUIRED DATA CONTROLLED BY OTHER MODULES
HRE_ID.

1. BR_Setting
2. BR_PanelConfig
3. BR_Logging
4. BR_Help
5. BR_EntityLink.
